

# EMPOWER YOUR CLASSROOM.

## HP Teacher Experience Exchange

### Imagine:

- Teacher-generated lessons
- Professional development tools at your fingertips
- An online community for sharing content and ideas
- Monthly e-mails featuring the latest curriculum and technology ideas
- A website built by teachers, for teachers

Join our online community where you can learn from and support other teachers, grow professionally and become part of a group of visionary educators who are advancing education through the integration of technology and curriculum.

HP Teacher Experience Exchange is a Web 2.0 community that provides FREE teacher resources—lesson plans, classroom content, tutorials, courses, technology tools and more. Provide your students with the best learning experiences, find new ideas, share what you know, learn about new technologies and help create a site—for teachers by teachers. From videos to photos to digital content, you can find, share and rank the best teaching ideas from educators from all over the world.

Sign up today and broaden your world of classroom resources:

- **Contribute**—Share lesson plans, videos, photos, multi-media projects, digital content and more.
- **Find**—Discover online courses, tutorials, virtual tours, web resources, teaching ideas and news.
- **Collaborate**—See what other teachers are discussing on our message boards.
- **Learn**—Get new ideas on how to integrate technology into your classroom and curriculum.
- **Rate and comment** on posted content.
- **Answer surveys** about the site's features and content.
